ONE WEEK DOWN ISLAND CRUISE GUIDE

Day 1

Meet Serengeti in **Falmouth Harbour, Antigua**. Visit historical English Harbour and Shirley Heights, or take a relaxing trip to one of the many beautiful beaches. Later, after Sunset Cocktails on the Serengeti, take a stroll along the shore to sample some of Antigua's finest bars and restaurants.

Day 2

Take a short sail to **Green Island, Antigua**. This tranquil bay takes its name from the stunning tropical flora and is a true Caribbean beauty spot. The turquoise waters also provide for some first class snorkelling, and you'll have a great afternoon swimming and snorkelling around the island. Lunch at the extraordinary Harmony Hall is also not to be missed!

Day 3

Take a crossing to the picturesque French village of **Deshaies, Guadeloupe** and anchor alongside the rainbow coloured fishing boats. Visit one of the wonderful French restaurants on shore for lunch, and spend a relaxing afternoon strolling around the botanical gardens and the tropical river, or lazing on the beautiful beach of Pointe Soldat. For those feeling a little more adventurous, this is also a great place for water sports.

Day 4

After a relaxing breakfast, sail down the west side of the island and stop at **Pigeon Island, Guadeloupe**. This is a top spot for snorkelling, and is also home to the world famous Cousteau Underwater Park. For those who enjoy marine life, this is a truly unmissable spot, as it features a unique range of coral, tropical fish and octopus. Take a late afternoon sail and arrive in the quaint harbour town of **Terre D'en Haut, Iles des Saintes** for drinks at sunset.

Day 5

Sail to **Roseau**, the colourful and lively capital of **Dominica**. Here, you will be met by local tour guides who will take you on a day tour of this lush, green island – including a trip to the Emerald Waterfall. The day will end with a tour down the Indian River, where you will meet back with your crew. The jungle covered hills of St Ruperts bay will then provide an excellent backdrop for a sunset meal on the Serengeti.

Day 6

Sail to **Anse Mitan, Martinique**. In contrast to the untouched, tropical beauty of Dominica, Martinique will provide you with some of the most modern and stylish entertainment in the Caribbean. There's great shopping, great golf courses and great restaurants, bars and clubs, not

to mention the wonderful beaches. Enjoy!

Day 7

Sail to **Soufriere** and the **Pitons, St Lucia**. Soufriere is a small town nestled amidst the dramatic setting of the two towering Pitons. This is an area of exceptional beauty, perfect for the final day of your cruise. Spend your day hiking, diving, snorkelling, or simply relaxing in the heavenly waters, and indulging in a Serengeti cocktail or two. You may even like to visit the Caribbean's only Hilton Hotel, for a dip in their luxury pool. After a farewell supper, you will be taken to the airport for your flight home.
